

Welcome to HumanizeR

How do I log in?

Once we have registered your information in our system, you will receive a link, create and password and log in. Should you forget your password, *press have you forgotten your password?* We do not have access to see your password.

Download our app

Once you have created your password, you can download our app *HumanizeR Vikar* from App Store
This will give you access to your calendar, pay slips and bookings.

When can I expect to be offered work?

First step is to update your online calendar, either via the app or a browser. Then we can match you with available shifts. We will text you or call you when we have a match.

How do I update calendar?

Log in to your profile and press Calendar – You can update a day or a week at the time. Put the specific hours that you are available, put all day or make a note off the days that you are NOT available. Make sure to not leave any blank day.

You will find a step by step manual on how to use the calendar at Humanizer.dk/kontakt

When will I get paid?

You will get paid for 14 days at the time. If you worked in week 2+3 you will get paid in week 5. Payment is always Fridays in uneven weeks. Check online calendar to see which days/weeks you worked.. You can find an updated payment calendar on humanizer.dk/kontakt. Pay slips will also be on your profile. If you have other questions regarding payment, please email kbh@pshr.dk

Welcome on board, we hope to offer you work soon

Kind regards

HumanizeR
